“ *I have to share Lynn and I went to Spokane to see Mercy Me afterwards we stoped at this restaurant for dinner we were seated in a booth people were seated both behind and in front of us. I had the crab legs, we were having such a great time laughing and singing, I cracked my crab leg and it flew past her and landed in the lady's lap behind her oh my goodness we laughed so hard we were crying all the way home.*

I miss you so much 💔 I love you ❤️
