Margaret May "Peggy" Taylor Curtis

June 8, 1938 – March 24, 2022

On March 24, 2022, Peggy Taylor Curtis of Chelan, WA, departed peacefully at her home at the age of 83, much to her family's deep sorrow. Peggy was born on June 8, 1938, to Phil and Marge (Arneson) Taylor in Washington, DC. Her husband, Miles "Bucky" Curtis, and her eldest child, Pamela Schaffer, predeceased her in 1993 and 2015, respectively. She is survived by her three children Donna Boston (Hank Lobe) of Annapolis, MD, John Schaffer, Jr. (Christine) of Columbia, MD, and Tanya Asman (Barry) of Davidsonville, MD, step-children Pam, Scott and Glenn Curtis, eleven grandchildren, and six great-grandchildren. Peggy is also survived by two sisters, Joanne Grego and Diane Jorgensen, brother and sister-in-law John Taylor and Carol Talkov, and nieces and nephews.

Peggy was raised in Greenbelt, MD, as one of the first families to move into the now-historic town. She lived around the world and across the country while raising her family. She ultimately settled in Monterey, California, where she worked as an office manager for technology company Global Weather Dynamics and later for HC Properties in Morgan Hill, CA, until the age of 80. She enjoyed working, contributing her time and talents in support of the community, and walking her beloved dog Buddy (who predeceased her). She was an avid sports fan who loved the San Francisco Giants and was devoted

to the Washington football team. When she finally retired in 2018, she moved to Chelan, Washington, and lived there until the time of her death.

Peggy was a loving mother, grandmother and great-grandmother and delighted in keeping up with the lives and times of her entire family. She was deeply insightful and caring, with intellectual curiosities and hobbies that included the NY Times crossword every day. By active example she showed us how to appreciate life fully, and by quiet example she taught us how to be charitable and loving. She was patient, unassuming, and found happiness in simple things. A memorial will be held at a later date. She will eventually be interred at Arlington National Cemetery. Please visit the website of Precht Rose funeral home at www.prechtrose.com to leave memories and see photos. Services entrusted to Precht Rose Chapel, Chelan, WA. In lieu of flowers, donations may be made to the ChildFund Alliance at www.childfund.org, a favorite charity of Peggy's whose aim since 1938 is to help children around the globe, such as Ukrainian and other refugees, stay healthy and safe.

“*Thank you Peggy for the short time we had as sisters-in-law. You were ever so gentle and kind. I wish we had had more sharing time in later years. I know how much you adored your children and they adored you. I know there is More and you will fill that space. I will do my best to watch over and love my nieces and nephew and the wonderful adults they've become, as well as their children. You did an amazing job of loving them Diane Coon*

“ *Every time I try to sit and write about all the memories I have about Peggy I just end up feeling numb... pretty much the same feeling I got after my mom and dad passed. It's a hollow feeling. I know it will mostly pass. But as a human being with all the associated emotions that we all have, it is difficult right now. She was my sister. And I will miss her. She raised and loved some fabulous kids, and their kids, and their kids!*

Goodbye for now Peggy. We'll see you again ❤️

“ *Back in 1975 you and your family welcomed our family with open arms. Provided us with a place to live, a new start in a "foreign" place to us at that time, and to live and experience the American dream; and because of that WE WILL NEVER FORGET YOU!!!!*”

Thank you much so Aunt Peggy.

“ Remember me. Don't let it make you cry. For even if I'm far away I hold you in my heart. I sing a secret song to you each night we are apart. Remember me. Though I have to travel far. Remember me. Each time you hear a sad guitar. Know that I'm with you the only way that I can be. - From "Coco" a movie she loved to watch with my kids.

“ I was Peggy's health insurance agent in Chelan since 2019. Due to Covid's shutdown I was only able to meet with her for one annual review, but I recall how gracious she was. She had tea ready for me and we enjoyed chatting about her time in Chelan. She was especially happy to live near her sister Diane. She enjoyed the central location of Bayshore Apartments because she she could walk with her little dog, Guffy, around town. I will remember her as a gracious and loving person who clearly had many who cared for and loved her. My deepest condolences to her family and friends.

Thank you Gaylen. Yes, gracious describes her. And yes she loved her little dog (his name was Buddy) and she was deeply saddened when he passed last year. --Her Family

OMG! Where do I begin? In 1943 when we met in kindergarten 79 years ago? Our friendship definitely withstood the test of time and I simply can't accept that she is gone! My pal, my buddy, my kindred spirit. It is the constant laughing that is foremost in my mind when I think of Peg. I will always have an enormous hole in my heart. “A mother's love is always with her children. Losing a mother is one of the deepest sorrows a heart can know. But her goodness, her caring, and her wisdom live on -- like a legacy of love that will always be with you.”

Mom, I cannot believe you're gone and that I can't pick up the phone anymore and call you for some of your great goodness, caring and wisdom. I'm in shock and I feel your loss terribly. The sky has gained a new star, but the world lost a shining one. I love you and always will.

Your loving and bereaved daughter Donna

Peggy was one in the wonderful Taylor family in Greenbelt, MD. We were married in April, 1960 and raised our four children for the next 17 years. She was a great Army wife which included two overseas assignments-Okinawa and Taiwan. She was everything I read here and in today's Washington Post, with the emphasis on her loving motherhood. No wonder her favorite charity deals with children. She was fun to be with and a role model for all of us.
