“ Michael was my nephew. Such a cute little boy . When he was a baby used to put him in my baby buggy . Once a lady asked to see my baby doll. Was surprised see an actual baby! We kept in touch often . Texts, and phone calls. Sweet little boy .Grew up a wonderful man. I love and miss you . Auntie Jo💕💕

“ I was lucky enough to have a correspondence with Mike the last several years. Dad was still alive then, and Mike first contacted me to try and get our parents together. Unfortunately, Dad was starting to lose his memory and ability to hold a conversation so it never happened.
I treasure the texting and conversations we had, although they were way too few, and I unfortunately really knew him only as a devoted son. Am sending my condolences and saving my memories.
Sincerely,
Chris Winslow Hanson
