“ I met Miguel 5 years ago at a pool construction job where we continued to cross paths. After seeing what a great worker he was and more importantly the kind of integrity he had, I asked him to install our company pools.

Over the years we had the opportunity to spend a lot of time together and I got to know and admire the man he was; thoughtful, caring, always going the extra mile and many times I thought, even too kind. We had some good laughs, shared some serious talks and drank lots of coffee!

Just a couple months ago we had lunch at the park and he talked of future plans he had, never letting on how really sick he was or how much pain he must have been in. He was such an inspiration, even then, still thinking of others and always smiling. It has been my privilege to know Miguel and to call him my friend. He will be truly missed until we meet again.

Our sincerest and heartfelt condolences to Lizbeth and all of Miguel's family.
