“ *Nancy is my aunt, my family, the strong stubborn woman that helped raise me. I have the best memories of swimming to her at the park, dance routines at grandmas house, her laugh. Without her, I'm missing a piece of my puzzle of life. I'm thankful of the years I had and I'm proud of caring for her till the end. You are with your Dad, Mom, Brother & Sis now. She loved her friends, her party days and solitude in the comfort of her home. Nancy wants a celebration of life in the Spring, with the warm sun on our back, surrounded by flowers, AC/DC & Pink Floyd, and candles. The family will make an announcement when a date is set.*
