“ *So many great memories of your mom. When it would get time to organize for thinning or harvest the first stop Grandpa Hat would make on way to orchard was in the early morning at "Dee's" cause she is the best worker and gotta let her know when to show up. After Grandpa retired Roger continued the same "invite" . Also another fond memory was her dealing with all those walnuts... The Oules family is better because of the influence your mom lived. What a work ethic, smile and just a NICE LADY.*
