You were a dear friend, a sister in heart, one I have by choice. We shared many good & tough times over the years, all with grace. You were taken too soon. You were & always will be a light in my life. With love & deepest respect. Denise Auvil

I met Pat in 1992 at a Miner's Reunion in Holden. We were amazed when we realized that her family had moved into the house my dad had built in 1938. We remained friends through Emails, letters, phone calls and more Miner's Reunions. Pat will be missed. Joye (Hamm) Malmstrom

“ I met Pat while working at the Holden B and B at 25 mile creek at Lake Chelan. She was so happy there. She had such good memories of her childhood with her dad when he was with the Forest Service and of course her favorite place. Her home up at Winston at Holden Village when it was still a mining site. And of course her best guy and steadfast love Ralph. A candle to you Pat my dear friend. You gave some much love and hope to those who knew you. Human and furry alike.

“ We were so blessed to have met you about 20 years ago when Ralph had his car accident. You were a thoughtful and caring friend. You always were a wonderful listener, being positive and encouraging to me. I so enjoyed our phone calls and emails, catching up on my children and your (children) puppy, doggies and cats. I will miss these conversations and miss you sooo much. Love you!

“ I will always treasure the times we had together especially those from when we were living up at Holden. I'm glad that we were able to reconnect after so many years between being young girls to being in our late 60's. Rest in peace my friend.
