“ *Donna Campbell lit a candle in memory of Pauline Jacobi Anderson*

donna campbell - January 09, 2018 at 01:33 AM

“ *Loved taking Pauli to garage sales, Habitat for Humanity, Senior lunches and just working in the yard. She did love her roses! and her birds! She was a joy to take care of, we had so much in common; quilting, canning, flowers, and junking! What a special person; once she took me into her life , we became good friends, and she will always have a special part in my heart.*
