Yes Andie. I looked up your mom (something made me think of her and wondered if she was still alive) and saw that Chuck passed. That ended up in my doing one of those rabbit trail searches. I ended up ordering Jeff's book on dying and reading it now. Sorry he died so young. I remember him. I saw your comment here and looked you up too. You are still beautiful and sound as if all is well. I am happy married 42 years! I can't believe Radd is dead. How did he die? Lots happened over the years but I have thought of all of you often. You can email me at MichelleLynnWilliams2@gmail.com if that is easier.
