“ *My fondest memories of my Aunt Renae were just being around her. Even as a young child, I remember how her smile would just light up the room, she was always smiling! And I can remember her watching me out big window from her dining room table pretending to be a horse and being on all fours walking on the horseshoes on the walkway to the door. Her and Uncle Johnny were definitely a highlight of any trip we took to see Grandma and Grandpa Brooks to Twisp, whether it was riding horses or just playing outside.*

Rest in peace Aunt Renae.
