“ I will always remember Bud's smiling face while working at Okanogan Do Co Hospital. If I ever needed help with anything, all I had to do was call Bud and he was johnny on the spot. Such a kind and caring man. The family will be in my heart and prayers.

I will always remember playing in Bud's barn before and during our cub scout meetings. He always made sure we were entertained and plenty to do and look forward to. Most definitely a gentleman with a gentle soul.
