I am just now learning about Ron’s passing and I am lost for words and saddened by this news .. the four of us had such wonderful times and beautiful memories for many years. I pray that you are doing well? You folks have been in my thoughts and prayers for a very long time... I would like very much to hear from you...

“ Dee - I was shocked to hear of Ron's passing. So many good memories of Ron over the years I worked with him. Even a few of Ernie too!!! If you need any help with anything, I'm just a phone call away here in Wenatchee.. Just another one of the good ol Game Department gang. Blessings to you and your family. Bob Perleberg

“ I have known Ron since the sixth grade. He lived in Duvall and I lived in Woodinville. Our schools played flag football and basketball against each other. We were always the two smallest kids on the teams. Later after graduating from high school Ron and I both attended Everett Junior college. We were sitting in the lounge having coffee when they announced that President Kennedy had been assassinated, people were screaming crying and all classes were dismissed until further notice. I again ran into Ron in 1969 when I went to work for the Washington Department of Game. I was fortunate to have worked with Ron for the last 15 years of his career. He was an expert Mule Deer hunter and expanded his hunting adventures to include exotics in Africa and other parts of the world. Ron will be missed but never forgotten.
