“ Rosemarie always loved the lake and living on the water was spiritual for her. She really didn't want to sell. She loved sitting out on her wonderful deck. That and her beautiful garden and plants were treasures - especially a large red rose plant on the far left side of the bulkhead. She loved to laugh and wasn't fully interested in retirement. She did however really like her new house and community in Manson. Everyone in her old Helios Hills neighborhood was truly fond of her. When you were her friend she was always very loyal and there for you. She had a kind heart and also loved that crazy little dog called "Bubba" Anything you ever did for her she really appreciated it. She went through some tough times when she was burned and in the hospital but still kept her sense of humor through it all. Diana and Mike Crosby loved her as did - mike and Carol Giffin , Sheri and Jerry Smith, Carl and Hazel Alley and many many more. She will be missed!!!!
