

Ruth Marie Anderson

June 3, 1920 - August 13, 2015

Ruth Marie Anderson went to heaven August 13, 2015 after a short illness. Ruth was born to Herman Alex Umglabe and Clara Wilimena Gerlach on June 3, 1920 in California, Missouri. She married Gene Anderson and settled in Manson, WA. where they raised their four sons; Allen, Alvin, Frank, and Gary. Ruth worked very hard all her life in the orchards, spent time as a textile worker, and then 53 years at Trout Growers as a sorter, until she retired at the age of 85.

Ruth loved working in her garden and spending time with her family and friends. She spent many hours in her summer kitchen canning, and making jam. She also was very talented with crocheting and knitting blankets, hats, and mittens. Whatever she made she shared with her family, including quilts. She was a remarkable woman!

Ruth passed away at Central Washington Hospital surrounded by family with much love, including children, grandchildren, and great grandchildren. She was preceded in death by her parents, her husband, and her youngest son Gary.

“ *I knew Ruth many years ago when I was her health insurance agent in the late 90s and early 2000s. I have three wonderful memories of her. Whenever I made my annual visit to review her health and drug insurance, she always had a warm drink set out for me and gave me a lovely hand-made knit hat. Secondly, she raved about her children and grandchildren. One of her sons created a garden for her so she could sit on a board on wheels and scoot along to weed her gardens. Lastly, since she knew how much driving I do, whenever there was a storm or bad weather, she would leave a message on my home phone and ask if I got home all right. I made sure to call her because I knew she would worry if I did not check in with her. When I saw her lovely photo and obituary in the World, my heart lurched with sadness. I will miss her presence.*

“ *The only that exceeded Ruth's ability as a gardener (and it was considerable) was her generosity in giving the product of that garden away. She fed a lot of people. Those shallots were delicious, Ruth, and thanks again.*
