This is my last correspondence with Sally.

When she called, she had been to 3 doctors.

She had a cold and cough.

She did weigh 150 pounds, but then, just weighed 116.

She had fallen for 3 times, being in February, May and June.

*Her dog, Sugar knocked her down, 1 time and the door
knocked her down, the other 2 times.*

She said that her son, Randy lives in Great Falls, Montana.

I enjoyed talking with her and I will miss her.
