“ Sis,
I was wishing you a happy birthday on Facebook and I noticed that you had not posted anything for quite a few months. With dread I Googled your name to find that you have moved on.

It saddens me to no end that I've lost the only sister I have ever had.

Rest in peace girlfriend

Until we meet again

“ I knew her very briefly, but she was kind and giving. Loving with her family, her animals and her wonderful plants that she enjoyed. We will miss you sweet Shirley. Until we meet again.

“ Shirley was an amazing person with a huge heart. She did amazingly well for all the challenges that life presented her. She loved the Lord. She will be greatly missed.
