“ *I had the pleasure of attending school in Parsippany NJ at PHS class of 67 with Thomas
We were good friends in school. I just learned of his passing while doing a 50 year class reunion effort. His name will be added to our Lost Classmates table at our reunion in 2017. I am so sorry to hear of his passing.
R.I.P. Thomas*

“ *My brother was my hero. He was 10 years older than me and he loved me so much as I loved him. I was always so proud of him. I remember my mom telling me that when I was born he went to the store and bought me this stuffed squirrel. It was the cutest thing in the world. I loved that squirrel so much. When I was a teenager I used to have stuffed animals on my bed, and this little squirrel was battered, and one day it was gone. I asked my mom and she said she threw it out because it was so raggedy. I was so upset I cried for days. Tommy I hope you are happy in Heaven and you will live on in my heart. Love your baby sister, Donna*
