

## Timothy McCabe

August 17, 1951 - June 13, 2013

On Thursday, June 13th Tim McCabe went to be with the Lord and his youngest son, Timothy Earl. I have no doubt that the reunion is a joyous one, however he left behind a family that will be missing him terribly.

Tim was an extraordinary family man. He always put his wife and children in top priority and there was no place he'd rather be than surrounded by them.

Tim grew up in West Chicago, Illinois with 2 sisters and a brother. After High School graduation in 1969 Tim moved to Spokane and attended Gonzaga University, eventually finding his way to Lake Chelan where he began his business of McCabe's Painting in the early '80's, and fell in love and married Patty in 1983. Tim & Patty raised their five children together in Manson. Tim lived for his kids, coaching several AAU teams, traveling to Cross Country and Mountain bike races, hauling pigs and lambs to the fair and everything else his kids dared to take on, he wanted to be there!

He worked hard to support Patty's dreams as well, remodeling homes together, building for her pasture fences, chicken houses, greenhouses, and as many raised garden beds as she asked for. He lived his life to take care of his family and make them happy. He loved to play golf whenever he got a chance and the annual family camping trip was the highlight of every year.

An extraordinary man with a loving heart, you will be unbearably missed Tim McCabe.

A Memorial Service will be held on Saturday, June 22nd at 1 PM at the North Shore Bible Church in Manson. Services have been entrusted to Precht Rose Chapel.
