“ I knew Tom through Kelly's Ace Hardware. We'd always talk about what was going on in our lives. And I'd always ask him about flying. Tom invited up to fly but I never did while he still was still doing that. We'd joke about east coast stuff and about whether Chicago pizza was better than my NY pizza! He had his moments when he could be difficult to talk to... price's of things & stuff. But Tom if he liked you always came back to apologize. If you were not his friend at all for whatever reason you never would be. I'll miss him a lot.

“ This breaks my heart. Tom and I worked together for a couple years, and I enjoyed his wit, quality and persona. He was the first JW I hired when I moved back into the valley and helped me mightily as ZE grew. RIP Tom. Sorry for your loss Pat and pups.

“ *I met Tom many years ago when he worked with my husband, Bruce, as a subcontractor. He was a good person to work with. Through the years, I've seen him around Chelan and we'd have a brief "how are you?" chat. I will miss his physical presence on earth. Our condolences to his family.*

So sorry to hear. Tom and we were friends and his enthusiasm for life and aviation especially were contagious. Always had a smile on his face. We'll miss seeing you at the airport Tom.
