“ *We have been a friend of Truda and Carl since 1968 when we began our friendship in the Sacramento area. Over the years, we lived near them in Colorado, Virginia and lastly, Goodyear, AZ where Truda last resided. We miss and will always remember Truda and Carl. We learned of Truda's passing from our daughter, Kim, yesterday June 5, 2019. Our condolences go to Truda's family.*

“ *I am saddened to hear of my Friend Truda's passing. I have early childhood memories of frequently walking down the block to visit her and sharing girl talk as we were growing up. Mrs. Craddock always so graciously made us a snack. Her doll collection. She had high esteem for her Dad who sat in his chair and smoked a pipe. In later years, we went on a cruise in Florida. She was looking SO good when I visited her in Goodyear, AZ a few years ago. We went out to dinner together every night I was there. Sadly, it was the last time I saw or spoke to her. . Rest In Peace Dear Friend. Sharon Curtis Baldwin*
