“ *My family and I had the privilege of spending time with Walter over the past few years. My husband first met him when he was hired to clean Walter's house. We then spent many hours with him at Regency both in Chelan and Wenatchee as we do church and music there. My daughter and I also had lunch with him a couple of times on outings to Mill Bay. He was such a sweet, kind man and we will miss him greatly! Our love and prayers for his family and other friends.*
