“ Hello Cheney Family,

I was so very sorry to hear about the passing of your son.

I lived in Edmonds back in the 90's when I knew Wes.

You always wonder what happens to people you grew up with, and to find out that someone has passed so very young is incredibly heart breaking.

I hadn't spoke with Wes since the birth of my first child back in 1997. Not that we parted on bad terms, it was that my life was taking me in a new direction that required a lot of growing up.

I hope he went peacefully and that your family can heal in due time.

RIP Wes.
