“ *You are with me all the time Bill, I miss you so much, not real sure how to do this without you.*

“ *I met Bill when I started working at Mill Bay Casino in Manson, WA. back in the 80s'. I was a Tribal Gaming Agent and Bill was a Security Officer (our departments worked closely together). We always had fun and I really enjoyed talking to him. There are not many people I think about when I remember those days, but I always remember Bill with a smile and chuckle. May he rest in peace in the loving arms of the Creator.*
