“ *To the family of Wilma Ann Guffey,*

How sad I am, as no doubt you are.

Willie was a terrific listener, advisor, dresser, friend.

Willie always looked to the future, making plans to have more fun, fitness, and relaxation. She loved her husband, sisters, nieces, nephews, kids, friends, and Sarah her mule. She loved tropical travels and tearjerker Hallmark shows where true love always succeeded. She was a devout Christian, always mindful of Her Heavenly Father.

Generous and dutiful, May she rest in peace.
