“ *Dear Scott, Kye, and Kendra, I am so sorry to hear of your loss. Wynne was a great lady who I enjoyed everytime we ran into each other. She always engaged in great conversations about our children and what they were up to. I admired her hard work ethics and her creative talents. I have a ring she remodeled for me, and I will treasure it more than ever now. The world was a better place with Wynne in it. You are all in my thoughts and my heart is heavy for your loss. With Sincere Sympathy, Debbie DeMartin Henderson*
